

Pacific Park Family Dental's Financial Policy

The purpose of this policy is to eliminate confusion or misunderstanding concerning financial arrangements offered by our office and we do communicate this policy to every patient.

For our patients with dental insurance policies - please note that your insurance contract exists solely between you and your insurance carrier. All insurance coverage fees are an *estimate* based on the information provided by your insurance company. We will submit your insurance claim, but we cannot guarantee any benefit or payment. Your insurance plan is a benefit to help you offset the cost of dental care and ultimately, you are responsible for the entire cost of your dental treatment. If you have detailed questions about your insurance policy, we recommend contacting your insurance company directly. Pre-Authorizations can also be sent to your insurance for procedures totaling over \$300. Please note this process may be lengthy.

Below, is an overview of our policy:

1. We are a 'Fee-For-Service' provider: payment in full is due at the time of service, including the estimated portion of the amount insurance does not cover (this includes deductible and co-pay).
2. Our office accepts the following payment methods:
Cash, check, Credit Card, and Care Credit (ask our staff for a brochure for more information)
3. A \$30.00 charge will be billed to your account for any check returned by the bank for any reason. We will resubmit the check for payment to the bank one time. However, if funds are still insufficient, we will not accept payments by check from you in the future.
4. Delinquent accounts (if not paid at the time of service) of more than 90 days will be **sent to a collection agency.**

I have read and understand this financial policy and agree to all the terms listed above
